# PAYMENT STATUS UPDATE FROM THE ALLOCATION NEUTRAL

The Allocation Neutral respectfully submits this status update regarding payments made and to be made pursuant to the World Trade Center Litigation Settlement Process Agreement, As Amended ("Settlement Process Agreement"). Exhibit I summarizes the information regarding payment status contained in this report. The Exhibit was originally submitted in the "PAYMENT STATUS REPORT FROM THE ALLOCATION NEUTRAL" dated March 9, 2011 ("March 9th Report"), and was subsequently updated and submitted to the Court in April, May and July, 2011. This narrative supplements Exhibit I and all previous Reports. For the Court's convenience, capitalized terms not defined herein shall have the meaning ascribed to them in the Settlement Process Agreement.

As explained below, the Allocation Process continues to move forward, with approximately \$149 million paid to plaintiffs thus far.

### **Status of Initial Payments**

Twenty-eight payment waves have now been completed. As of this report, 9,936 Primary Plaintiffs and 5,346 Derivative Plaintiffs have appeared on payment instruction reports issued to

the WTC Captive. All payment instruction reports, once issued to the WTC Captive, have been processed by the WTC Captive without delay. Over 98% of Initial Payments have been made.

The March 9th Report (at page 3) outlined the conditions for payment to occur. As of this report, the items remaining for resolution are:

- Stipulations of dismissal (see Settlement Process Agreement, Ex. T) or Opt-In documents for 4 plaintiffs;
- Claim Form deficiencies for 3 plaintiffs;<sup>1</sup>
- Lien resolution for 74 plaintiffs; and
- Estate or fee lien holds for 170 plaintiffs.

The Allocation Neutral can only issue payment instructions for a claimant when all of the above conditions have been satisfied. As indicated above and in Exhibit 1's "Overall Claim Milestone Status" table, the most significant obstacles to Initial Payments are estate and lien holds, which collectively account for nearly ninety percent (90%) of all current impediments to Initial Payments. Nevertheless, the Allocation Neutral has proceeded with reviews of claim documents for those with estate or lien holds and Plaintiffs' counsel are aware of and working to resolve these matters as well.

#### **Status of Additional Payments**

Under the terms of the Settlement Process Agreement, there are no future payments due to Tier 1 claimants. Tier 2, Tier 3, and Tier 4 claimants, however, have received or will receive the following payments, in addition to their respective Initial Payments:

- For Tiers 2 and 3: Accelerated Final Payments;
- For Tier 4: Interim Payments and Final Distributions;

<sup>&</sup>lt;sup>1</sup> Claim Form and Qualifying Medical Record submissions were due by March 28, 2011.

- For Tiers 2, 3 and 4: Permanent Disability Fund awards, if applicable;
- For Tiers 2, 3 and 4: Mixed Orthopedic Injury payments, if applicable; and
- For Tiers 2, 3 and 4: Qualifying Surgery payments, if applicable.

Tier 2 and 3 Accelerated Final Payments: The Allocation Neutral, in accordance with the terms of the Settlement Process Agreement, began including direction to issue Accelerated Final Payments with the Wave 8 payment instruction report issued on March 30, 2011. Accelerated Final Payments have continued to appear on each subsequently issued weekly payment instruction report and, as of this report to the Court, Accelerated Final Payments to 2,119 Primary Plaintiffs and 1,156 Derivative Plaintiffs have appeared on a payment instruction report. This represents Accelerated Final Payments to more than 91% of those plaintiffs claiming Tiers 2 or 3. The WTC Captive has consistently processed these payment instructions without delay. The Allocation Neutral expects to make all Accelerated Final Payment determinations promptly upon resolution of deficiencies, Reconsideration Requests, waivers of Reconsiderations Requests, and Appeals to the Claims Appeals Neutral.

Tier 4 Interim Payments and Final Distributions: Pursuant to the terms of the Settlement Process Agreement, the next payment for a Tier 4 claimant after the Initial Payment is the Interim Payment. Interim Payments for Tier 4 claimants are dependent not only upon satisfaction of all payment conditions, as described above, but also upon Final Total Scores being established for approximately 40% of all Primary Plaintiffs who claim a Tier 4 Qualifying Injury in a given Master Docket after the Allocation Neutral's evaluation of each such claimant's Claim Form and Qualifying Medical Records. The Allocation Neutral is to instruct the WTC Captive to make Interim Payments to Verified Tier 4 Primary Plaintiffs with Final Total Scores in a Master Docket and to corresponding Derivative Plaintiffs in the amount of 40% of the projected

value of each verified Tier 4 plaintiff's Final Distribution in that Master Docket. 5,107 Tier 4

Determination Notices and 1,921 Tier 4 Deficiency Notices have been issued to date.<sup>2</sup> Plaintiff's

Counsel has responded to 1,472 of the Deficiency Notices. The 40% threshold for all Master

Dockets has been met (although not all at the same time) and Interim Payments began being included with the Wave 21 Payment Instruction Report the week of June 27, 2011. Interim Payments for 3,442 Primary Plaintiffs and 1,956 Derivative Plaintiffs have appeared on the Payment Instruction Report, representing payments to more than 61% of the Tier-4 population.

Following his or her Interim Payment, a Tier 4 claimant will receive a Final Distribution at the end of the Allocation Process. Final Distributions are available only to Verified Tier 4 Primary Plaintiffs and corresponding Derivative Plaintiffs and are subject to the Point System and Final Distribution formula set forth in the Settlement Process Agreement. Final Total Scores were projected to be determined within 180 days of the Final Settlement Agreement Effective Date (which was January 5, 2011). Due to the 37-day extension of the Claim Form submission deadline and the ongoing resolution of deficiencies, additional time will be required to determine all Final Total Scores. The goal remains to complete Final Distributions "within one year from

<sup>&</sup>lt;sup>2</sup> For the Court's reference, a Tier 4 "Determination Notice" sets forth the Allocation Neutral's determination regarding a Tier 4 claimant's Qualifying Injury(ies) and his or her Final Total Score. The Final Total Score is calculated using the Base Points assigned to the claimant's Primary Qualifying Injury (see Settlement Process Agreement, Ex. C) as determined by the Allocation Neutral following its Claim Form and Qualifying Medical Records review and includes adjustments to Base Points to account for the claimant's Adjustment Factor responses in his or her sworn Claim Form. Determinations Notices are posted to the Allocation Neutral's web portal when complete and thereafter are immediately accessible by counsel.

<sup>&</sup>quot;Deficiency Notices" reflect the Allocation Neutral's finding(s) that a plaintiff's Claim Form and/or Qualifying Medical Records are deficient in some respect. These, too, are posted to the Allocation Neutral's web portal and thereafter are immediately accessible by counsel. Upon receipt of a Deficiency Notice, plaintiff's counsel has up to 25 days to cure the deficiency. Cures often require the submission of or reference to additional Qualifying Medical Records.

the Final Settlement Agreement", as was originally estimated, "to the extent practicable as determined by the Allocation Neutral and the Claims Appeal Neutral", subject to the timely resolution of Reconsideration Requests and Appeals. <sup>3</sup>

## Status of Other Elements of Recovery

Permanent Disability Fund Awards: Those claimants who are entitled to a Permanent Disability Fund ("PDF") award will receive that payment after the Allocation Neutral has reviewed all PDF applications and issued corresponding award determinations. The Allocation Neutral has expedited all PDF reviews in accordance with the Settlement Process Agreement, and PDF award payments will be made pursuant to the terms of the Settlement Process Agreement. Of the 1,447 PDF claims that have been submitted to-date, Determinations have been made on 1,277 (88%). Due to the possibility of Reconsideration Requests and Appeals submitted by claimants who claim PDF eligibility or who dispute their PDF score as determined by the Allocation Neutral, the exact timing of PDF payments cannot be projected at this time. Efforts continue to issue PDF payments as expeditiously as possible.

Mixed Orthopedic Injury Payments: Based on current Claim Form reviews, there are more than 100 claimed Mixed Orthopedic Injuries. The Allocation Neutral anticipates completing Mixed Orthopedic Injury determinations in August 2011. Because Mixed Orthopedic Injuries may not be the only injury alleged by a particular claimant, the Allocation Neutral intends to issue determinations on these claimants' entire claim before issuing payment determinations on the Mixed Orthopedic Injury component. Due to the possibility of

<sup>&</sup>lt;sup>3</sup> Medical deficiency rate for Tier-4 plaintiffs is 29.31%. Number of Reconsideration Requests submitted to-date is 669.

Reconsideration Requests and Appeals submitted by these claimants and their counsel, it is estimated that Mixed Orthopedic Injury payments will be made by in the 4<sup>th</sup> quarter of 2011.

Qualifying Surgery Payments: As of this report 102 Qualifying Surgeries have appeared on the Payment Instruction Report. Qualifying Surgery claims are reviewed concurrently with Qualifying Injuries, as Qualifying Surgery payments are conditioned upon corresponding Qualifying Injury determinations. Qualifying Surgery determinations for which Reconsideration Requests are waived should be finalized by the end of August, 2011. Resulting payments will be made with remaining Accelerated Final Payments for Tiers 2 and 3 and with Interim Payments and Final Distributions for Tier 4.

London Marine insurance settlement: Pursuant to the separate settlement with London Marine insurers, the London Marine insurers deposited \$28 million into the Separate Account on June 9, 2011. Of this amount, \$27.5 million is designated for payment of Marine Plaintiffs' claims and \$500,000 will be used for Allocation Costs. Shortly after that deposit, initial marine insurance payments were made to settling Primary Plaintiffs eligible to participate in the London Marine insurance settlement. To date, 492 such Primary Plaintiffs have appeared on the Payment Instruction Reports. Additional marine insurance payments will be made to marine-eligible Verified Tier 4 Primary Plaintiffs with their Final Distributions.

#### **Expense Audits**

The Allocation Neutral has conducted pre-payment expense audits as described in the March 9th Report. See March 9th Report at 7-8.

A total of 455 out of the 10,116 Primary Plaintiffs who the Parties agree have opted into the settlement were randomly selected for pre-payment audit. The Expense Audit is 100% complete. As each audit was completed for a particular claim, the claimant was included in the

next weekly payment instruction report. As of this report, there are no claims for which payment is being held due to an unresolved or incomplete expense audit.

# Random Audits

The Allocation Neutral, in accordance with the terms of the Settlement Process Agreement, has selected for Random Audit 5% of Primary Plaintiffs who claim a Tier 3 Qualifying Injury and 5% of Primary Plaintiffs who claim a Tier 4 Qualifying Injury based upon all submitted Claim Forms. Plaintiffs' counsel have been notified of the Random Audit selection by the Allocation Neutral and have been directed to the Allocation Neutral's web portal for completion of the requirements specified in Section XI.M of the Settlement Process Agreement.

As of this report, 100% of Tier 3 and Tier-4 Random Audits have been completed. Based upon the Random Audits completed, the Allocation Neutral did not issue any requests for Targeted Audits.<sup>4</sup> Additional audits may however be required subject to the extent of the Reconsideration process.

The Allocation Neutral will continue to update the Court on an ongoing basis.

Respectfully submitted,

Matthew L. Garretson Esq. Garretson Resolution Group, Inc.

Allocation Neutral

August 19, 2011

<sup>&</sup>lt;sup>4</sup> "Targeted Audits" are only required if more than 10% of Tier 3 and/or Tier 4 claims selected for Random Audits result in findings by the Allocation Neutral of material representation, material omission or material concealment of the type described in Section XI.M of the Settlement Process Agreement.
